DARSHAN JOSHI

MERN STACK DEVELOPER | BCA STUDENT

Kalol, Gujarat, India | darshanjoshi.dev@gmail.com | +91 9429601468
Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

BCA student and MERN Stack Developer focused on building full-stack web applications with MongoDB, Express.js, React.js and Node.js. Familiar with REST API development, JWT-based authentication, protected routes, MongoDB/Mongoose integration, responsive React interfaces and API testing. Interested in contributing to a software development team while continuing to strengthen practical engineering skills.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frontend: React.js, Vite, responsive UI development

Backend: Node.js, Express.js, REST APIs, routing, controllers, middleware

Database: MongoDB, Mongoose, MongoDB Atlas, PostgreSQL

Authentication & Testing: JWT, bcrypt, protected routes, role-based authorization, Postman

Tools: Git, GitHub, VS Code, MongoDB Compass, Cloudinary, Render

SELECTED PROJECTS

StudentTools India — Academic & Career Tools

- Built a student-focused website offering academic, career and financial calculator tools.
- Website: studenttoolindia.online

Shopest — E-commerce Application

- Developed a React-based e-commerce practice project focused on reusable components and responsive UI.
- Applied JavaScript and React concepts to structure interface elements and application flows.

HireHub — Job & Internship Portal

- Developing a multi-role job portal concept for candidates, recruiters and administrators.
- Working with the MERN stack and authentication workflows as part of full-stack practice.

PRACTICAL DEVELOPMENT EXPERIENCE

Full-Stack MERN Practice & Application Development

- Practiced the end-to-end request flow across React, APIs, Express, Mongoose and MongoDB.
- Implemented and tested registration/login workflows involving password hashing, JWT generation and authorization middleware.
- Worked with environment variables, CORS, JSON request handling and MongoDB Atlas connectivity.
- Used Postman, browser developer tools and server logs to test requests and debug application issues.

EDUCATION

Bachelor of Computer Applications (BCA) — Hillwood Academy of Higher Education, Gandhinagar, Gujarat

Expected graduation: 2029

Higher Secondary Education (12th, Commerce) — Holy Child School

Secondary Education (10th) — Holy Child School
